## WINTER WORKS ITS MIRACLES

Can you imagine,

What miracles winter works?

If not, then listen,

What will you do in this cold!

Santa Claus,

With a bag of gifts,

Gifts the world,

With gingerbread cookies.

Spending the old year,

And welcoming the new year

With fireworks

And enjoying the holidays.

And what do we do in February,

What holidays do we celebrate?

St. Valentine's Day,

It snows and freezes all winter!
